RESTAURANT + WINE BAR

**Welcome to Morris East Bedford.**

In 2007, we opened with the dream to make pizzas with creative toppings and to provide great service. On our journey, we placed third in an international competition at the Pizza Expo in Las Vegas, hired great people, and opened this wonderful location. We are passionate about our ingredients and our menu.

***Enjoy!***

### **the slow ferment**

*Great pizza takes time and pride. We slowly ferment our dough over 48 hours; then cook our pizzas in our 600° stone oven.*

### **our wine list**

*Our select wine list features our favourite pizza wines. Ask your server what's on feature – we love to showcase a wine that gets us especially excited.*
