RESTAURANT + WINE BAR

Welcome to Morris East Downtown.

In 2007, we opened with the dream to make pizzas with creative toppings and to provide great service. On our journey, we placed third in an international competition at the Pizza Expo in Las Vegas, hired great people, and opened two more locations. We are passionate about our ingredients. Welcome to our original restaurant, we love its intimate vibe and historic Halifax location.

Enjoy!

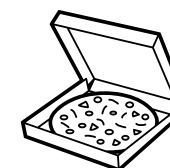

the slow ferment

Great pizza takes time and pride. We slowly ferment our dough over 48 hours; then cook our pizzas in our 800° wood-burning oven.

our wine list

Our select wine list features our favourite pizza wines. Ask your server what's on feature – we love to showcase a wine that gets us especially excited.
