RESTAURANT + WINE BAR

## Welcome to Morris East Vernon Street.

In 2007, we opened in downtown Halifax with the dream to make pizzas with creative toppings and to provide great service. On our journey, we placed third in an international competition at the Pizza Expo in Las Vegas, hired great people, and opened this wonderful location. We are passionate about our ingredients and our menu. We also have an adjoining Slice Shop for you to grab slices to go, order pizzas and pastas in different sizes or pick items from our retail market.

**Enjoy!**

## the slow ferment

*Great pizza takes time and pride. We slowly ferment our dough over 48 hours; then cook our pizzas in our 600° stone oven.*

## our wine list

*Our select wine list features our favourite pizza wines. Ask your server what's on feature – we love to showcase a wine that gets us especially excited.*
